GOOD LUCK NANCY

After over 31 successful years of service with TLCU, Vice President of Lending, Nancy Sherk, is retiring at the end of April. Nancy began her career with TLCU in August of 1991, and quickly made her mark when she was promoted to Head Teller in December of the same year. Further expanding her responsibilities with the Credit Union, Nancy spent five years as the Loan Officer in Bremen; eventually leading to her elevation to both Branch Manager of the Bremen office and the VP of Lending. Through the 22 years in her dual role as Branch Manager and VP of Lending, Nancy has been able to help the members of TLCU at both the branch and institutional level.

Nancy has always had a strong desire to help people and helping her members is what she does best; she truly lives the credit union motto of "people helping people". Members and employees describe her as someone who "always has a smile on her face" and "has a knack for making people feel good". When asked about Nancy, CEO Kendra Fleckner immediately described her as "a genuine person". Fleckner went on to say, "I am lucky to have worked with Nancy, the credit union and community are going to miss her immensely. She goes above and beyond to ensure a task is completed and I have the utmost respect for Nancy and wish her the best of luck and happiness in this new chapter of her life".

In a statement about her time at TLCU, Nancy's kind heart was on full display, saying, "I am grateful for every day that I spent working at TLCU Financial. It meant that I was with people that I thought of like family. Members and co-workers went from strangers to friends. It has been my utmost pleasure to have served and worked with such wonderful people".

We at TLCU are thankful for the years of dedication Nancy has given to the credit union and the community. While it feels like we're losing a piece of the credit union, we are fortunate for the impact Nancy has made in all our lives. For those who have been fortunate enough to know Nancy, please feel free to stop by the Bremen Branch during the month of April to show your appreciation and wish her good luck in her retirement.

THE IMPORTANCE OF UPDATING YOUR ACCOUNT BENEFICIARIES

Beneficiaries listed on your account forms will receive your assets, by law, regardless of what is listed in your will. This ensures your assets go where you want them to. While also eliminating the potentially costly and time consuming probate process for your family later. Naming one or more secondary beneficiaries is also a good idea.
