CHANGES ARE COMING!

Be on the lookout for a system upgrade coming April 2020

A message from the CEO:

The employees and I have spent countless hours preparing for our systems upgrade - one of the biggest, most challenging changes a credit union and its members can experience - and we are excited. The excitement we feel is due to the many improvements and efficiencies our upgraded systems will bring to you, our members.

Just a few of the improvements include:

- Upgraded online and mobile banking with full integrated bill pay
- Mobile Check Deposit available through mobile banking
- Electronic Loan Document Signing from any electronic device

At the end of the day, this change - and this improvement - is for you. At TLCU Financial, we never stop thinking of you and how we can improve your life. We hope that you will bear with us as we move our systems forward and forgive us for any inconvenience you may experience while we do so.

Kendra Fleckner
CEO
