

BIOMETRIC INFORMATION PRIVACY POLICY AND CONSENT

Scope and Overview

This policy outlines how TLCU Financial, its vendors, and/or the licensor of the TLCU Financial's consumer verification software processes biometric data collected from you for identity verification and fraud prevention purposes.

Biometric Data Defined

As used in this policy, biometric data includes "biometric identifiers" and "biometric information". "Biometric identifier" means a retina or iris scan, fingerprint, voiceprint, or scan of hand or face geometry. As the term is used in this policy, the selfie photograph you upload to the software for use in the biometric algorithm is considered a "biometric identifier." "Biometric information" means any information, regardless of how it is captured, converted, stored, or shared, based on an individual's biometric identifier used to identify an individual.

Disclosure and Authorization Policy

To the extent that TLCU Financial, its vendors, and/or the licensor of the TLCU Financial's consumer verification software collect, capture, or otherwise obtain biometric data relating to a consumer, TLCU Financial must first:

Inform each consumer that TLCU Financial, its vendors, and/or the licensor of the TLCU Financial's consumer verification software are collecting, capturing, or otherwise obtaining the employee's biometric data, and that the TLCU Financial is providing such biometric data to its vendors and the licensor of the TLCU Financial's consumer verification software;

Inform the consumer of the specific purpose and length of time for which the consumer's biometric data is being collected, stored, and used; and

Receive consent by the consumer authorizing TLCU Financial, its vendors, and/or TLCU Financial's consumer verification software to collect, store, and use the consumer's biometric data for the specific purposes disclosed by the TLCU Financial, and for TLCU Financial to provide such biometric data to its vendors and the licensor of the TLCU Financial's consumer verification software.

TLCU Financial, its vendors, and/or the licensor of the TLCU Financial's consumer verification software will not sell, lease, trade, or otherwise profit from employees' biometric data; provided, however, that the TLCU Financial's vendors and the licensor of the TLCU Financial's consumer verification software may be paid for products or services used by TLCU Financial that utilize such biometric data.

This policy is intended to comply with all federal, state, and local laws.

Purpose for the Collection of Biometric Data

TLCU Financial, its vendors, and/or the licensor of TLCU Financial's consumer verification software collect, store, and use biometric data solely for identity verification and fraud prevention purposes.

Disclosure

TLCU Financial will not disclose or disseminate any biometric data to anyone other than its vendors and the licensor of the TLCU Financial's consumer verification software providing products and services using biometric data without/unless:

First obtaining consumer consent to such disclosure or dissemination;

The disclosed data completes a financial transaction requested or authorized by the consumer;

Disclosure is required by law or ordinance; or

Disclosure is required pursuant to a valid warrant or subpoena issued by a court of competent jurisdiction.

Security

TLCU Financial shall use a commercially reasonable standard of care to store, transmit and protect from disclosure any biometric data collected. Such storage, transmission, and protection from disclosure shall be performed in a manner that is the same as or more protective than the manner in which TLCU Financial stores, transmits and protects from disclosure other confidential and sensitive information, including personal information that can be used to uniquely identify an individual or an individual's account or property, such as genetic markers, genetic testing information, account numbers, PINs, driver's license numbers and social security numbers.

Retention

TLCU Financial shall retain consumer biometric data only until, and shall request that its vendors and the licensor of TLCU Financial's consumer verification software permanently destroy such data when, the first of the following occurs:

The initial purpose for collecting or obtaining such biometric data has been satisfied, such as verification of consumer identity;

Request of consumer to destroy the biometric data; or

Within 30 days of consumer's provisioning of biometric data.
